Editors should submit copies of the most recent issues for the year preceding the Society Reunion (Usually April of the previous year through March of the current year) to the Society Awards Committee Chairman by 1 April.

- The preferred method is by providing a link to the Chapter’s website if the website “posts” the previous year’s newsletter issues.
- Alternatively, a pdf format copy of each issue for the preceding year may be e-mailed to the Society Awards Committee Chairman for distribution to the rest of the Committee. (Care should be taken to not overload the system, so do not attach issues totaling more than about 10MB in a single e-mail. Use multiple e-mails if required.)
- Alternatively, three CDs, each containing a copy of each of the previous year’s issues may be mailed to the Chairman.
- Alternatively, at least three hard-copies of each issue can be mailed to the Chairman. (If the original newsletter format is in “color,” and the submittal is going to be via “paper” (hard-copies), then at least one of the four copies must be in “color”.)
